Ref: Letter of Recommendation for Savika Security

Dear Sir/Madam

We, the Directors of Charleston Crescent Home Owners Association, a residential complex situated in Tiati Road Sunninghill, acting on behalf of 46 units are pleased to report that Savika Security has been providing security services to our Home Owners Association since November 2011 to date.

We are exceptionally pleased with the consistent professionalism and efficiencies at both Management and Guarding level. It is imperative to note that both management and the security guards are always willing to go the extra mile if and when is required. The security guards posted at our complex are well trained, very welcoming and always make every effort to ensure that the safety of our residents is not compromised in any way.
